### Recommandation pour Tangi COLOMBEL

A l'attention de Messieurs Nino Ciccarone, Luc Didon, et Philippe Gasparini,

Au cours d'une conversation avec monsieur Tangi Colombel, chanteur et professeur à l'Alliance Française de Miami, je lui ai conseillé d'adresser un dossier pour partir chanter dans le réseau des Alliances Françaises d'Inde et du Népal. Je me permets de compléter sa demande par le biais de cette lettre.

Je tenais à vous assurer de la qualité des performances de Tangi Colombel. Il a plusieurs reprises et toujours avec beaucoup de succès animer les soirées des AF de toute la Floride (Miami, Fort Lauderdale, West Palm Beach, Naples, Sarasota et Jacksonville). Il a également divertit de nombreux publics lors de soirées pour le Consulat de Miami, Miami Accueil, l'ouverture de magasins de prestige (Lanvin ... ) ainsi que pour des soirées de levées de fonds pour de grandes organisations caritatives (The Founders of Mount Sinai Medical Center ... ). Sans compter les concerts qu'il a donné dans de nombreux autres états (Minnesota, Indiana, Caroline du Nord ... ) et d'autres pays (Japon, Trinidad et Tobago ... ).

Son répertoire de reprises de chansons françaises est extrêmement éclectique et il passe avec une facilité déconcertante d'une vieille ballade parisienne à un rock endiablé. Son humour, son tempérament et sa générosité sur scène font mouche à chaque coup. Sa capacité à donner son spectacle en anglais ou en français est un atout incontestable aux Etats-Unis et le sera certainement aussi en Inde. Il s'accompagne de versions instrumentales de qualité, ce qui lui permet une grande mobilité, autre atout indéniable pour une tournée comme celle que vous proposez.

En engageant un artiste comme Tangi Colombel, vous êtes sûr de satisfaire vos publics et de promouvoir la musique française d'hier et d'aujourd'hui dans toutes les villes de votre réseau.

Salutations distinguées,

Jean-François Chénin.  
Directeur de l'Alliance Française de Miami.  
Délégué Général de l'Alliance Française aux Etats-Unis (au 1<sup>er</sup> septembre).

Cher Monsieur Colombel,

Au nom de tous les professeurs et étudiants de notre section française, je vous transmets nos chaleureux remerciements pour cette belle soirée « chansons françaises », que vous avez animée au sein de notre université le 21 mai dernier.

Le spectacle que vous nous avez proposé, avec vos qualités naturelles de chanteur et d'acteur, nous a permis de (re)découvrir de merveilleuses chansons faisant partie du patrimoine culturel français. Vos interprétations, pleines d'humour, de poésie et de talent, ont vraiment charmé le nombreux public présent.

Nous avons atteint, grâce à vous, notre objectif qui était d'offrir une animation de qualité autour du thème de la chanson française, permettant la découverte de textes et de musiques que nos étudiants ont vraiment appréciés.

Nous espérons, bien sûr, vous revoir au Japon et sommes très désireux de renouveler cette expérience dans un futur pas trop lointain.

Très cordialement et sincères salutations de la part de tous,

Monsieur Colombel, cher Tangi,

C'est avec un vif plaisir que je te renouvelle tous mes remerciements, au nom des membres de notre association et du public réunis lors du concert de *chansons françaises* du 22 mai dernier.

Ton professionnalisme et bien sûr tes talents de comédien ont véritablement charmé l'audience de l'Institut Franco-japonais de Kyoto. Beaucoup de personnes, rencontrées par la suite, m'ont dit leur bonheur d'avoir retrouvé ou découvert, grâce à toi, ces belles chansons de notre répertoire français, interprétées de façon si intelligente.

Dans l'espoir de te revoir ici au Japon et d'organiser un nouvel évènement musical avec toi, sincère amitié.

Dear Tangi,

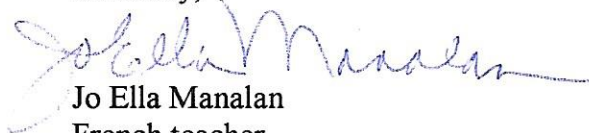

I want to thank you for having taken the time to visit my Level 5 French class and to have spent time interacting with them. It was an opportunity for them to have personal contact with a native French speaker and to practice some of their speaking and listening skills in the target language. You also offered them the chance to ask the questions that most interested them which afforded them insights into cultural differences that our text books do not always address.

You definitely have a gift for working with adolescents and I was impressed with your ability to interact with them on various levels. The variety of formats used was good beginning with the teaching of a song which drew them into the language and ending with an impromptu acting scene which allowed them to inject their own personalities into the mix.

I would recommend you highly for any type of workshop or interaction with young people because you have a unique blend of humor, intelligence, and sensitivity which appeals to teenagers and makes learning a pleasurable experience for them.

Thank you again for taking time out of your schedule to volunteer in the classroom and enrich the lives of my students. Your willingness to do this is commendable.

Sincerely,

You and the other musicians absolutely made the night magical. Our goal was to evoke a Paris from the past and your music set just the right tone for the whole evening. Our guests so enjoyed the dancing and the entertainment!

As Chairs of the event, we wanted you to thank you for making our annual fund-raiser such a success and have enclosed a check in appreciation. Without your performance the evening would just not have been the same!

Again, thank you for the wonderful job!

## **Emails of appreciation**

**Franck Marret**, President Alliance Française of Minneapolis & St. Paul.

"Tangi brought all the magic of authentic and traditional French stage entertainment to our Bastille Day event, with a very professional touch yet very fun interpretation of yesterday and today's musical standards. These were thoroughly enjoyed by an audience composed of American and French people that kept asking for more."

**Nanci Hunt**, National Croquet Club, West Palm Beach.

"Dear Tangi,  
I just wanted to take this time to let you know that you were a big success at the Club. Everyone enjoyed you so. I hope this will bring you more engagements. You were just delightful and so very entertaining."

**José-Marie Cortes**, President Alliance Française Nagoya, Japan.

"Comme s'en étonnera peut-être le touriste français de passage dans l'archipel, la chanson francophone d'hier et d'aujourd'hui est très populaire au Japon. Avec Tangi Colombel, cette tradition musicale chère au cœur de nos amis nippons a trouvé un interprète particulièrement inspiré et passionné. Son timbre clair, sa voix chaleureuse et son air charmeur ont su éveiller en nous les émotions que suscitent les titres de Brel, Aznavour, Adamo et tant d'autres !"
